1. Please provide a summary of the purpose of this legislation (Justification Statement).

The purpose of this legislation is to authorize the Aviation General Manager or his designee to issue Task Orders to Hartsfield-Jackson Transportation Group ("H-JTG") to provide architectural and engineering design services for Interstate Signage in support of the Maynard Holbrook Jackson, Jr. International Terminal (MHJIT) on a Task Order Basis, and authorize the Aviation General Manager or his designee to prepare and execute appropriate Task Order(s).

2. Please provide background information regarding this legislation.

The City of Atlanta as owner and operator of Hartsfield-Jackson Atlanta International Airport entered into an agreement with Hartsfield-Jackson Transportation Group ("H-JTG") to provide architectural and engineering design services on an as-needed basis, pursuant to Resolution 07-R-1462.

Construction of the Maynard Holbrook Jackson, Jr. International Terminal (MHJIT) will require an eastern entry to the Airport which does not currently exist, and in order to assist International Passengers who will primarily use this eastern entrance, Interstate Signage in conformance with G-DOT standards needs to be designed and constructed to assist in wayfinding to the MHJIT.

H-JTG has submitted a fee proposal in an amount not to exceed \$1,061,547, to provide architectural and engineering services to design the required Interstate Signage in support of the MHJIT project, and the Aviation General Manager has determined that the proposal fee is reasonable.

This Legislation will provide the funding necessary for H-JTG to design the required Interstate Signage associated with Contract FC-6006007929-D Architectural and Engineering Design Services at H-JAIA up to the collective amount legislatively authorized under the Contract pursuant to Code Section 2-1111.
